Snippets . . . from the president

Random thoughts from Donna ...

Well it looks like fall has finally arrived, and I am so happy! This is my favorite time of the year. Did I mention I love fall? And the cooler weather, apple cider, cooler weather, making soups, and cooler sweater weather! I love the smells of the holidays, all the beautiful colors of all the foliage, and most of all gathering with friends and family. Yep! I am a truly blessed happy girl!

I have given up on my pursuit of getting my sewing room downsized and tidy. Just too many things going on in my life and too many things I need to get done for the holidays. We thought it was going to be a small quiet Thanksgiving and Christmas, but as it turns out, plans have changed and the whole family is gathering here. So I am going to enjoy the celebrations and my family. Then I can get back to this mess in January. You know sometimes you make plans, things change, and you have to just go with the flow.

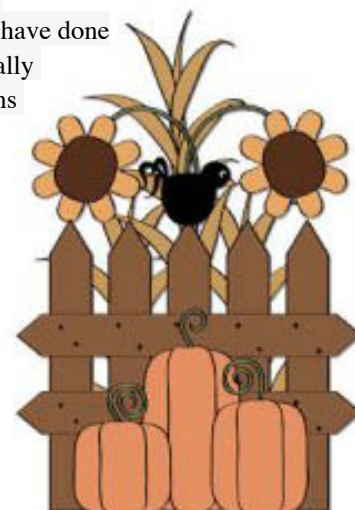

I am really looking forward to this month's speaker Joy Lily, and taking her workshop. It's always fun to learn something new. Maybe we will even find a way to use some of what we learn in our quilting.

And, speaking of meetings ... don't forget that this month's meeting is a week early due to Thanksgiving. Be sure to mark November 17th on your calendar. Next month is our Christmas luncheon, and we have a couple of special things planned, including the drawing for this year's opportunity quilt, as well as the reveal of the 2023 opportunity quilt. I have seen it and I think you are all going to be pleasantly surprised. It's awesome! That will be on December 10th, 11 - 2. As always, it will be a pot luck, so start thinking about a dish to bring and share. I also want to thank those of you who volunteered to decorate a table for the Christmas luncheon. We have done this a few times in the past and it's really fun to see what themes and decorations they come up with.

Hope to see you all at this month's meeting!

Donna

HAPPY FALL!

GVQG Photo Albums - 2003 to 2008

For several years, GVQG photo albums were maintained and updated by our historians. Then, most of us acquired cell phones with cameras. Then, our newsletters and Facebook began including photographs of our activities. Sadly, there was no longer a need for our photo albums.

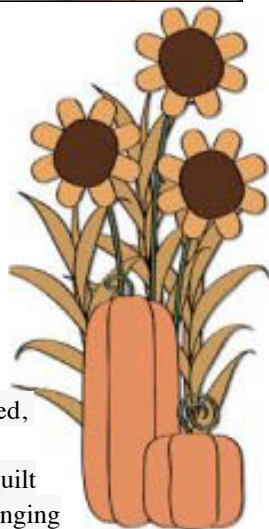

So, the albums be at our Christmas Party where you can go through them, see a younger versions of yourself, and remove & keep any photos that you'd like. At some point in the very near future . . . **the albums will be destroyed.**

Not a member back in those days? It's still fun to go through them and see many of the activities we were involved in. See if you can spot someone you know!

Merrily We Sew-Along...

As snow continues to pile up in the mountains, how appropriate that this month's sew-along selection is titled SIERRA SNOW. It's a simple Bargello pattern requiring 6 complimentary half yards of fabric to make a 47"x54" lap size quilt to snuggle in while reading a good book or watching a Hallmark Christmas movie. Add backing and another ½ yd of fabric for binding and you're all set. Join us on Zoom, Saturday, November 12, from 10am – 2pm, for strip sewing at its simplest. This pattern will go together rapidly.

This is the last Sew-Along for 2022. We'll be taking December off to get immersed in all the hustle and bustle of the holiday season.

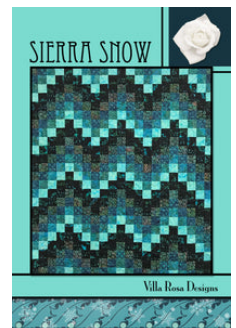

We'll be in our places, with bright shiny faces again in January to continue our sewing journey. The January pattern – Serengeti - will afford us a refresher on HSTs. This one also has a mini version. In February we'll piece Mardi Gras. There is a video tutorial on YouTube to go along with this pattern. The tutorial includes a bonus pattern for a small quilt made with your scraps. In March, we'll celebrate St. Paddy's Day with Pinch Me, an Irish chain quilt including lucky four-leaf clovers. Once again, this pattern has a mini version.

Remember our Sew-Along rules:

- We meet on Zoom; no need to dress up.
- There are "attendance" prizes.
- Sew for yourself or community service.
- Sew the project suggested or do own thing.
- Just sit and chat if that's what you feel like doing.
- When you're out and about, if you find a pattern you'd like to try or thing the group would enjoy, let me know so we can work it into an upcoming session.
- Most of all, have fun and watch your Saturday just "zoom" by.

Looking forward to our next Zoom session on Saturday,

Linda Sliepen

President's Quilt for Donna Palmer

At the October guild meeting I introduced the pattern for the President's quilt for Donna Palmer. It is my privilege to make, with the help of guild members, a quilt for Donna to thank her for her service to the guild this year. It has been an honor for me each time I was asked to participate in making a block for the outgoing president's quilt. I have chosen a pattern that I feel that even the 'newest to quilting' guild members can easily make a block. If you were not at the meeting, or if you want more details on the block, please contact me and I will be glad to share the pattern/directions with you.

For those who were at the October guild meeting, remember to shrink your stitch length and please do not trim your blocks. You can bring them to the next meeting and give them to me there.

Thanks so much for your participation.

UFO Challenge

Hello, to all quilters who have started a quilting project but have not finished it! **This is for you. ;-)**

As I was listening to a quilting story, there was a quilt related game that they played at the end of the quilter's evening together. This question was asked, "How many **UFO's** do you have?" What is a quilting **UFO** you might wonder?

It is an **Unfinished Fabric Object**.

One quilter in the story had zero **UFO's**, and the quilter that had the most had 117.

I got to thinking, "I wonder how many **UFO's** I personally have?" As I thought of projects started and now languishing in project boxes in various rooms/closets in my home, I realized that I had **MORE UFO's** than I realized!! I decided that I should count them and list them on a sheet of paper so that I could see and remember each one and come up with a plan to finish them.

I got to thinking that as I have **UFO's**, maybe other guild members have a few too and would like to be challenged to finish theirs also.

If you would like to join in the challenge, begin by counting how many **UFO's** that you have. List them on a sheet of paper (or two sheets, or 20). That's it for this month. Just count them. Or not. It is up to you.

See you at the November meeting.....
