

My name is Fran Watson. I have been long arm quilting since 2006. My machine is computerized and I have hundreds of patterns to select from. My preferred quilting method is edge 2 edge or all over quilting.

I live in the Carmichael area, cross streets are Madison Ave. and Dewey Drive.

Check out my website at www.finishingtouchbyfran.com or call me at 916 966-5206. I'd love to put the "Finishing Touch" on your project.
