Here we go! Another month where we're still following pandemic rules. A little birdie tells me that there's light at the end of the tunnel or Um, I forgot what the birdie said. Anyway, this is our spring challenge. It's all HST. We're going to have to match seams. Are you game to join us? If we don't succeed we can borrow one of the canines in training to pose in front of our mistakes just like on the card!
